

Manitowoc County HOG Chapter Survey

The chapter board would like to know what you'd like to see happen within the chapter. How can we raise attendance at certain chapter functions.

Attendance at chapter meetings has increased in the past two years. We'd like to get more participation in dinner runs, family picnics, rides after chapter meetings, Halloween party, etc. We had two years of good attendance at the Halloween Party, and the past two years attendance dropped off again.

What is keeping you from attending these events? What would you like to see happen or do at the following functions.

Rides after chapter summer meetings? Is distance a problem?

May Family Picnic? Would you like to play games like they do at State Rally?

Dinner Runs? Is distance a problem with the dinner runs? How far would you like to travel for a dinner run?

Weekend Rides? One day or Two day Rides? In state or out of state?

Halloween Party?

Holiday Parade? Would you like to keep riding the bikes in the parade, or put a bike on a trailer and members ride on the trailer also? With weather always being a factor.

Would you like to go on a Hay Ride in February?

Would you attend a bowling party?

Would you like to go on a ride/rides with another chapters?

What other activities or events would you like to see the chapter sponsor?

Please fill this out and put in the suggestion box at Stock's H-D in the chapter area.
